

A few members were out sick or out of town due to Lake WA Mid-Winter Break but the Board was still well represented last night with 39 members present.

Kaylee Hanson introduced herself and informed the Board about the Eastlake Relay for Life. People are encouraged to form a team and register at eastlakereley.org In addition Skyline High will be hosting a Relay for Life

The city has committed to participating in Northeastern University's EDSAT (Economic Development Self Assessment Tool) Questionnaire to learn how Sammamish compares with other cities nationwide in terms of financial sustainability. Laura Delgado represented SYB by attending the community-wide, city –hosted discussion with various other community members and city Boards/Commissions represented to share their perspectives.

Signs ups occurred for today's Homeless Feed in Issaquah. In addition, sign ups went around to go snow tubing with the YMCA on Friday March 2 at the Summit at Snoqualmie.

The group broke up into smaller groups to discuss future events/programs ideas SYB may be able to tackle before the end of the school year. All the ideas will be listed on the SYB Facebook page for Board members to vote on their favorite. If you haven't already friended SYB on Facebook please do so that you can participate in the poll.
